ORDER

14 Petitioner's motion (#12) for an extension of time is GRANTED, and the time for  
15 petitioner to mail a response to the prior show-cause order (#7) to the Clerk for filing is  
16 extended up to and including **June 28, 2012**. No further extensions of time will be granted  
17 thereafter, absent the most compelling of circumstances. By the extended deadline,  
18 petitioner will have had three months to respond to the show-cause order, even after  
19 discounting the additional month of delay occasioned by his failure to immediately notify the  
20 Clerk of his updated address. Petitioner's suggestion that he is able to work on the response  
21 only while he physically is in the law library is unpersuasive. Many inmates in the Nevada  
22 prison system have only paging-system access to a law library through kites, with no physical  
23 access, and are able to prepare and file extensive court papers. One does not need to be  
24 in a library to write. If petitioner does not mail a response for filing within the above deadline,  
25 this action will be dismissed forthwith.
